**STRUCTURE**

The Osmose range is based on a design where the 2 legs are connected by a modesty panel, making the assembly extremely strong. The panels used for the Osmose range are made from **Structurex®**. The height of the tops in the Osmose range is 74 cm.

**STRUCTUREX®**

The Osmose tops consist of 25 mm thick panels, protected by 2 mm thick, chlorine-free, shock-proof edging. The straight tops are also available in version post formed user side, L160 and L180.

STRUCTUREX® panels are manufactured on a fully automated production line. They are PEFC labelled 25mm counterbalanced melamine panels with anti-reflection treatment, density 680KG/m<sup>3</sup>, (±5 %), complying with the requirements of the Centre Technique Du Bois Et De L'Ameublement ( CTBA ).

**OSMOSE PEDESTAL**

The Osmose pedestals stand out from the other pedestal ranges with their curved tops, in perfect harmony with the Osmose design.

**THESE PEDESTALS ALSO FEATURE:**

- Robust structure: 16 mm framed and glued with metal inserts
- Optimum user comfort: Metal drawer sides and metal runners, 5th anti-tilt caster on drawer for suspension filing, removable pen tray
- Heavy-duty drawers: up to 30 kg
- Security provided by centralised locking

**METAL LEG**

The Osmose metal leg consists of a metal base and a metal sheet upright finished in epoxy paint. Each metal leg has 2 screw jacks.

**CABLE CHANNELLING SOLUTIONS**

The Osmose cable channelling solutions apply to 3 different levels:

- 1- The tops have 80 mm dia. cable ports.
- 2- There is a horizontal gutter as an option.
- 3- Vertical circulation for cables is provided:
  - For the metal leg, by means of a plastic duct inside the leg.
  - For the panel and wood cantilever legs: 80 mm dia. cable ports, channels and cable vertical guides ( as an option ).

**OSMOSE AND BURONOMIC**

The Osmose line is manufactured in France (Honfleur, Calvados) in an ISO9001-V2000 certified factory. Osmose is covered by a 5-year manufacturer guarantee. The entire Osmose range is available on a quick delivery times basis.
