

DRAWING HANGER SYSTEMS

The unique Vistaplan Hanger is specifically designed to provide a simple and effective system of filing large numbers of drawings, maps, posters and other large sheets.

- Ideal for use in the office or for project reference on site.
- Hangers have a capacity of up to 100 sheets, depending on paper weight and type of storage unit used.
- For reference purposes, individual sheets can be flipped through like the pages of a book, without the need to open the hanger.
- Hanger can accommodate mixed sizes of sheets - planstrips are not required.
- Hangers are available in 3 lengths to accommodate all popular drawing sizes, including CAD plots.
- The strong lightweight aluminium hanger is finished in an attractive powder coated textured grey.

	Paper Clamping Length (mm)	Pkd	Overall Hanger Length (mm)	
A1H	650	2	720	£55.00
A1CADH	650	2	720	£55.00
A0H	841	2	910	£59.00
A0CADH	925	2	995	£59.00

* Drawings are usually filed along the narrow edge
Note: Hangers are sold in packs of 2

STRATFORD COMPACTABLE

The Stratford Compactable comes complete with a compact tubular folding stand, drawing board and counterweight parallel motion. The central locking bar ensures easy adjustment of the board angle. The unit can be folded away when not in use. Available in A1 and A0.

E07995	A0	£225.00
E08023	A1	£199.00

STANDARD GROSVENOR

This popular unit has a lightweight adjustable stand which can be set in 4 different working positions. The white board has a plastic edge for durability, and is fitted with the smooth running continuous wire parallel motion. Available in A1 and A2 sizes.

E06300	A1	£99.95
E06310	A2	£89.95

FREE STANDING GROSVENOR

This Free Standing Grosvenor is fitted with the continuous wire parallel motion, and mounted on a compact tubular folding stand. Available in A1 size, this unit represents excellent value for money.

E08051		£149.00
